### STATE FAIR RACING PROSPECTS BETTER THAN EVER BEFORE

Secretary T. D. Shaughnessy of the Fair Commission Tells of Early Season Interest Shown in Horses.

Speaking of the racing outlook for this year's State Fair, Secretary T. D. Shaughnessy stated that never before in the history of the Arizona State Fair, had the prospects been so bright as they are this year.

Mr. Shaughnessy is particularly enthusiastic over the way the Arizona horsemen are responding. He stated that already entries have been received from a number of local horsemen, and that others have declared their intention of entering soon. Some of the horses already entered are: Irene Strathmore, Miss Axworthy Dillon, Maydella, and the colts—Mona Hall, Pineknoll and Bellzebub, owned by T. E. Pollock of Flagstaff; Lillian Van Mabel van and Gay Tommy, owned by J. R. Lambert of Phoenix; and Zombirino and Kildare, owned by Dr. J. G. Belt of Phoenix. Mr. Lambert's string are racing at the present time through the middle west and according to the reports of Horse Journals, are rounding into excellent shape. Dr. Belt's pacer, Zombirino, and his trotter, Kildare have been winning numerous races the past six weeks throughout southwestern Canada.

In connection with the Arizona House Program, attention is called to the fact that this year entries for the Colt Races will close September 1, a month earlier than the other events. The reason for this is, that in the event Colt Races fail to fill, other

### ROY HARTZELL, VET, SENT TO THE MINORS

Roy Hartzell.

Roy Hartzell, the Yank catcher and utility player, after years of dependable though not brilliant service in the big leagues has been shipped to the minors. He will go to Baltimore. Hartzell has been in fast company since 1906.

Races will be substituted and advertised immediately.

Four races are offered this year for Arizona Colts, as follows:

Two year old trot; two year old pace; three year old trot; three year old pace; with a purse of \$500.00 for each.

It has been the policy of the Fair Commission in the past to encourage the horsemen of the state, and as races are set apart this year for Arizona horses only.

With the liberal purses offered, there should be no dearth of horses. Instead these races should be filled to overflowing. If there is not a good field of two year olds this year, it is quite probable that the colts races in the future will be confined to three year old trot and three year old pace.

### MOTHER OF FOUR CHILDREN

How Lydia E. Pinkham's Vegetable Compound Kept Her Well and Strong.

Lincoln, Illinois.—"I have used Lydia E. Pinkham's Vegetable Compound for ten years with good results and I have four healthy children. This summer I was in a very run down condition and the very hot weather seemed more than I could stand, but I commenced taking your Compound in June and from then until September 25th, when my last baby was born, I got along much better than I had before. My baby was a girl and weighed 14 pounds at birth, and I recovered very rapidly which I am sure was due to your medicine. I am well and strong now, nurse my baby and do all my work. I had the same good results with your medicine when needed before my other children came and they are all healthy. My mother has taken your medicine with equal satisfaction. She had her last child when nearly 44 years old and feels confident she never would have carried him through without your help, as her health was very poor."—Mrs. T. F. Floyd, 1355 North Gulick Ave., Decatur, Ill.

Expectant mothers should profit by Mrs. Floyd's experience, and trust to Lydia E. Pinkham's Vegetable Compound. Free confidential advice had by addressing Lydia E. Pinkham Medicine Co., Lynn, Mass. (Advertisement)

### PRINCIPAL ROLE IS EXCELLENTLY PLAYED

Paramount Offering at the Royal, with Constance Collier, Superb in Many Ways

Constance Collier, the celebrated English actress, who portrays the character of Marcia in the Morosco Gray, which appears again today at the Royal, is a wonderful selection for this difficult role. Possessing womanly charms of face

and person and talented with great histrionic powers her rendering of Marcia, the wife of Harry Gray is a privilege to witness. In this exacting characterization of the wife of a ruined financier, she has a big part and through her great talents carries it off splendidly.

As is often the case, the wife who had led a life of ease and social gaiety proved to have the strength of character necessary to help her weary husband over the crisis that was the supreme test of her life.

The manner of the telling of this crisis is a masterpiece of the art of keeping the big theme of the story in evidence and is masterfully rendered by the strong cast.
